Architectural Honors Awarded to Baton Rouge Area Firms

(BATON ROUGE) – American Institute of Architects Baton Rouge presents the 2014 AIA Baton Rouge Rose Award, and the winners are...

American Institute of Architects Baton Rouge had the honor of presenting awards to ten projects completed by eight different firms this year at the 2014 Rose Awards Gala last Friday evening showing great work and development by the Baton Rouge profession. Architects, designers, contractors, project owners, and developers all gathered Friday evening to showcase the submitted projects and to celebrate the great work being completed in the area. While AIA Baton Rouge members voted for their one favorite out of thirty-one submissions, Mayor Kip Holden honored all by presenting that award to the winner. Corporate sponsors include such companies as Roofing Solutions, Lincoln Builders of Baton Rouge, Frost-Barber & Steelcase, and many more.

Winners are as follows (project photos also available):

- Members Choice: “235 South 14th Street/DNA Workshop”, DNA Workshop
- Gold Rose Award: “LSU Laboratory School Gymnasium” by Tipton Associates
- Silver Rose Award: “235 South 14th Street/DNA Workshop”, DNA Workshop
“The Jones Walker Bar at Shaw Center for the Arts” by Remson Haley Herpin Architects
- Rose Award: “438 Main Street” by Chenevert Architects
